

## Getting to Oxford Digital Media

We are located right in the heart of Oxford at the Jam Factory, 27 Park End Street, OX1 1HU directly opposite the Said Business School. There are large double doors at the front and a buzzer in the foyer with our name on it.

## Coming by car

Oxford is conveniently located just off the M40 and can be easily reached from the M4/A34. There is a very good Park and Ride service or you can park at any of the central Oxford car parks. We recommend parking at either the Worcester Street Car Park (reached by Park End Street), Oxford Ice Rink or the Westgate Centre (both off Hollybush Row / Oxpens Road).

There is also free two hour parking on Cripsey Road, Cripsey Place and Abbey Road (just under the Railway Bridge, turning by the White Horse Pub). There are also some more two-hour and one-hour spaces in St Thomas' Street (Off Hollybush Row).

## Public transport

We are two minutes walk from Oxford Train Station which is under an hour from London Paddington and we can be reached from Birmingham New Street in about 70 minutes.

We are five minutes walk from Oxford Bus Station where all National Express services and the Oxford Tube coach services from London stop. We are also directly opposite the major interchange for local bus services from Oxford suburbs and nearby towns.
